
PRESS ANNOUNCEMENT – FOR IMMEDIATE RELEASE

Last call for bands as Construction Rocks, again!

WSP and BAA have been busy preparing for what promises to be the most rocking battle of the Construction Industry bands yet, with interest from more than 15 industry bands, including 5 newly formed groups.

Construction Rocks 2010 will be held on Thursday 4th November at Argent's German Gymnasium on King's Cross Central's development site, and is open to all construction industry company in-house rock bands who enter before the end of September.

"We hope to beat the £5,200 raised last year, auctioning off a Fender guitar signed by the great Eric Clapton should help!" says Bill Price, Director at WSP, whose Wild Sex Party band lost their title to Arup's band, the Ovatones, last year.

Charities benefitting from this exciting event include *Help for Heroes* and a new games facility for Robert Blair Primary School. Argent has donated the venue, BAA will be providing the lead on sound; BRE will be managing the stage and Lend Lease operating the lighting.
